We will continue to certify your coverage directly to the NREC. Our policy continues to exceed the minimum standards as set forth by the state.

In order to notify the NREC of your compliance with the Statute for 2018, we must receive your payment and the attached renewal invoice by **November 20, 2017**. Licensee submitting forms and payments to our office after November 20, 2017, will continue to be certified to the NREC. However, the NREC may impose a late license renewal fee and/or place your license on an inactive status if they do not receive E & O coverage certification before December 1, 2017.

Your expiring policy is written as a **CLAIMS-MADE POLICY**. Generally, the policy only applies to otherwise covered claims made against you on or after your inception date and before January 1, 2018 arising out of wrongful acts involving your real estate services, as defined in the policy, that occurred after your retroactive date.

If you do not renew your policy by January 31, 2018 and have not purchased replacement coverage, you may not have coverage for claims reported in the future (i.e., after January 1, 2018) for your past real estate services. If your expiring policy is with WUG and you would like to purchase an extended reporting endorsement (the “ERP Endorsement”), please contact WUG at 1-800-222-4035 **within 90 days** of your policy expiration date of January 1, 2018. The extended reporting endorsement would allow you to report otherwise covered claims for wrongful acts arising out of your real estate services, as defined in the policy, that occurred after your retroactive date of coverage (listed on your Certificate of Insurance) and prior to the policy expiration date of January 1, 2018. This endorsement does not extend the policy period or change the scope of coverage. If your expiring policy is with another carrier, you will need to contact them regarding their extended reporting endorsement provisions.

Licensees who do not obtain E&O coverage by January 31, 2018 will lose any previously established retroactive date (Prior Acts Coverage). Your new effective date and retroactive date will be established as the 1st of the month in which your payment is received by WUG.

If you have a written demand for damages or services, it must be reported to your current insurance company before your current policy expires. Zurich will be not obligated to defend or pay for any claims of which you had knowledge before your new policy period begins.

We look forward to continuing our relationship with you and we want to assure you that our commitment to you and all Nebraska licensees remains unchanged.

Sincerely,

Williams Underwriting Group
