

CLIENT TESTIMONIALS

"I've been monitoring emails throughout the Christmas holidays and was thinking – this poor woman never rest. Heck, I received one from Debbie last night after 7pm my time, and once again, I thought to myself, someone needs to have mercy on this woman. In all seriousness though- you have been a trooper. You are nothing short of dedicated and professional in my eyes, with a strong commitment to this program and the relationship between your firm and CARBS. There is not a doubt in my mind that you are providing the inquiring members with excellent services as you are relentless in your requests to me. ;-.

Dear Sandy,

"I would like to express my sincere thanks to you and Ken for handling this lawsuit with such professionalism and care.

Ken is a phenomenal attorney and I feel so lucky to have had him assigned to my case. He is a total gentleman, and has a gift for handling the client, co-counsel, the judge and opposing counsel in such a way to really keep things on a civil track and keep all parties moving forward.

Ken has taught me many useful tools to use in my real estate practice

I am so happy that Williams and Zurich are my carrier

All the best"

"We have had our Errors & Omissions insurance with Williams Underwriting Group since 1998. We feel that Williams excels at customer service. They diligently work with us to ensure that all of our brokers have coverage by providing us with list of brokers who have not purchased coverage by the end of the year so we can ensure that our brokers purchase it prior to the deadline alleviating the risk of a gap in coverage.

Each year we perform a comparison when the products are rolled out. Usually the Colorado Real Estate endorsed product is slightly less expensive but when the comparison is made, we always make the decision to stay with Williams because the product is, in our opinion, better coverage. That coupled with the service we receive makes the decision an easy one."

"I have been conducting business with Williams Underwriting since 2010 and have always found them to provide quality service. Every aspect of their service has been above reproach and every member of their staff has been competent, courteous, professional and fair.

They have always gone out of their way to be accommodating to our needs and answer our questions and requests promptly. It makes a pleasant change to deal with a company that takes pride in providing a first class service. I would certainly recommend them to anyone in need of their services.

Looking forward to continuing to do business together for many years."

by a very knowledgeable group of people that I have really enjoyed working with. You all have been pleasant, professional, and very competent. As you know, I have choices available to me about who I choose to buy insurance from. I am very pleased that I chose to work with your company. You are very dedicated and I am pleased to recommend you to other companies and states that you may choose to pursue. I can say without any hesitation that you are the best of the best in this business”

“On behalf of myself and the 85 Associates and Referral Agents in our organization, we thank you for another splendid and smooth renewal for our E&O coverage.

We chose to renew with Williams because we have received outstanding service throughout our relationship. Just as our clients have come to expect the highest level of service from our Associates, we can count on Williams to handle all of our needs efficiently and properly.”

“We selected Williams Underwriting for our Errors & omissions insurance, long before it was a requirement in Nebraska. We have always utilized umbrella coverage for our Company, in addition to individual coverage.

Williams has always provided excellent service, through very good personnel. We are covered by them in Nebraska, Colorado, Wyoming and South Dakota. Even though some state programs are with other providers, we have always remained with Williams because of their service

In summary, I strongly recommend Williams Underwriting Group to you.

Sincerely

John (Nebraska Client)
