If the broker is submitting for both the firm and agent(s), please indicate the license number for each or use a separate form. If using a separate form, you just need to complete the name and certificate number for each additional party.

***If one of the licensees' involved in the claim does not have coverage through Williams Underwriting Group, a Division of Neace Lukens, the claim for that licensee needs to be reported to their insurance carrier. A note about this should be attached to the claim being reported to Zurich. The note at a minimum should contain the name of the licensee and their license number.

We do thank you for your business, and please feel free to contact Zurich at 800-987-3373 or Williams Underwriting Group at 800-222-4035 if you need any assistance.
