If your expiring coverage is with Williams Underwriting Group, then your policy is written on a **CLAIMS MADE** basis as are most real estate errors and omissions policies. Generally, under a Claims Made basis, the policy only applies to otherwise covered claims made against you on or after your inception date and before coverage end date arising out of wrongful acts involving your real estate services, as defined in the policy, which occurred after your retroactive date.

All claims must be reported timely in accordance with the policy's requirements. Failure to timely report a claim may jeopardize coverage under the policy. **If you are in receipt of a written demand for damages, to cease or desist, a civil proceeding or arbitration/other alternative dispute resolution such claim must be reported to the Insurance Company before your current policy expires. The Insurance Company will not be obligated to defend or pay for any claims of which you had knowledge before your policy period begins. If you have notice of claim or potential claim, report immediately to your current carrier or risk not having coverage for the claim. If your expiring coverage is with us, you may call us for procedures on reporting a claim or for Notice of Claim form. The Claims Procedures and Notice of Claim form are also available online at [www.wugioe.com](http://www.wugioe.com).**

**If you do not renew your policy by January 31, 2018 and have not purchased replacement coverage, you will lose your current retroactive date (prior acts coverage).** Your retroactive date is when you first obtained and have continuously maintained insurance coverage with no gaps. If you elect to place your coverage on inactive status or fail to purchase coverage timely and your expiring coverage is with WUG you have the option to purchase up to a three-year Extended Reporting Endorsement (the "ERP Endorsement" or "tail" coverage). Please contact Williams Underwriting Group at 1-800-222-4035 **within** 90 days of your policy expiration date of January 1, 2018. The extended reporting endorsement would allow you to report otherwise covered claims for wrongful acts arising out of your real estate services, as defined in the policy, that occurred after your retroactive date of coverage (listed on your Certificate of Insurance) and prior to the policy expiration date of January 1 2018. This endorsement does not extend the policy period or change the scope of coverage.

**If your expiring policy is not insured with Williams Underwriting Group, you will need to contact your current insurance company to discuss with them the terms and conditions for purchasing an extended reporting period endorsement.**

For licensees who do not renew their coverage by January 31, 2018 your new effective date and retroactive date will be established as the 1<sup>st</sup> of the month in which your payment is received by us. This only applies to licensees who elect to purchase coverage through our program. Other providers will have their own deadline provisions

We look forward to continuing our relationship with you and we want to assure you that our commitment to you and all Wyoming licensees remains unchanged.

Sincerely,

Williams Underwriting Group
